## Within-Agency Trainer (WAT) Training On-line

April 26 & May 3, 10, 2024 9am-12pm (CST)

- This training is an advanced training designed for certified PCIT therapists who desire to become trainers within their own agency using a co-therapy training model
- Those who wish to attend should be independently licensed mental health providers, psychology predoctoral interns, or psychology postdoctoral fellows who have successfully graduated at least 4 PCIT cases
- May request verification of WAT training readiness
- Training will be offered in an on-line/web-based format
- Once a week for 3 consecutive Fridays

Training includes:

- 9 hours of on-line training and 8 CEU's
- Monthly group virtual consultation for one year
- Review of two video-recorded sessions with written feedback

Cost: \$1,750 per trainee
