

PCIT International

Continuing Education Video Proposal Form

Thank you for considering developing a video for the PCIT community. Please complete the CE video proposal below and submit to the CE Task Force. After review by the task force, the proposal will be reviewed by the Board of Directors. Please expect a review time of approximately 30 days.

Date of Submission: _____

Presenter Name and Degree: _____

Email: _____ **Phone:** _____

Address: _____

Presenter PCIT credentials (e.g., Level II trainer) _____

Presentation Title: _____

Presentation Language: _____

Abstract: Provide a brief overview of the content of your proposed video; include the rationale and potential value of the video to the PCIT community (150 – 200 words maximum).

Learning Objectives: Please include 4-6 objectives for the video audience.

Empirical Support: Please describe the empirical support for the content you will be presenting. Describe the strength of the evidence (e.g., types of methodologies, rigor of study designs, theoretical foundation). Please include full references for all citations below.

Inclusiveness: Please describe how the content of the video is appropriately inclusive (e.g., cites research on families from a range of backgrounds, discusses cultural considerations).

Intended Audience. Who is likely to be interested in watching this video? Please be specific about the likely primary and secondary audiences (e.g., trainers, therapists, administrators, clinicians, researchers)? To whom should the video be publicized?

References: Please include complete references that support the proposed content (including citations above).
